# Power of Social Media in Citizen Empowerment.

# BY MAUREEN AGENA

GOVERNACE FORUM.

10<sup>TH</sup> AUG 2011

# Have you joined the Band wagon?

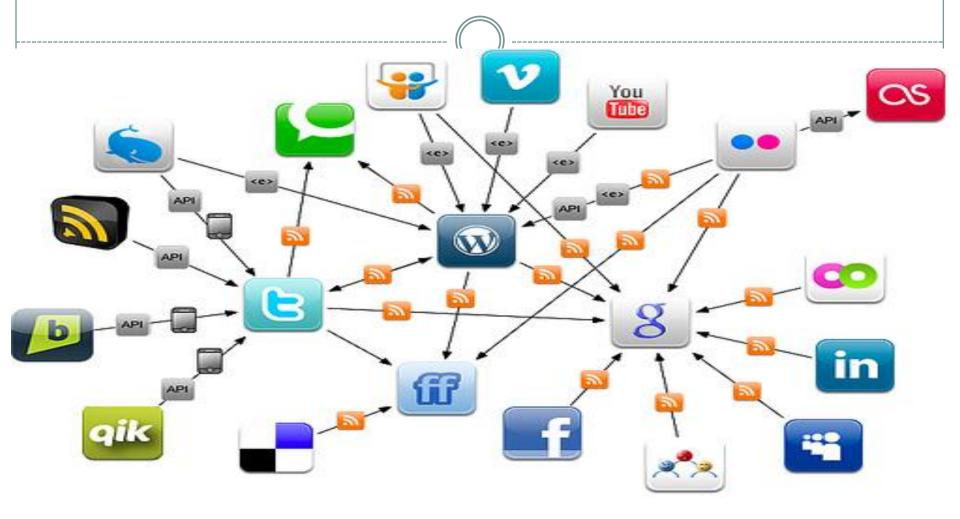

#### Social Media?

# People + Technology = Communication And the SKILLS??

#### What's the Potential of Social Media?

- -Social Networking
- -Video and photo sharing
- -Blogging
- -Micro-blogging
- -Wikis
- -Resource Organizing

#### Potential

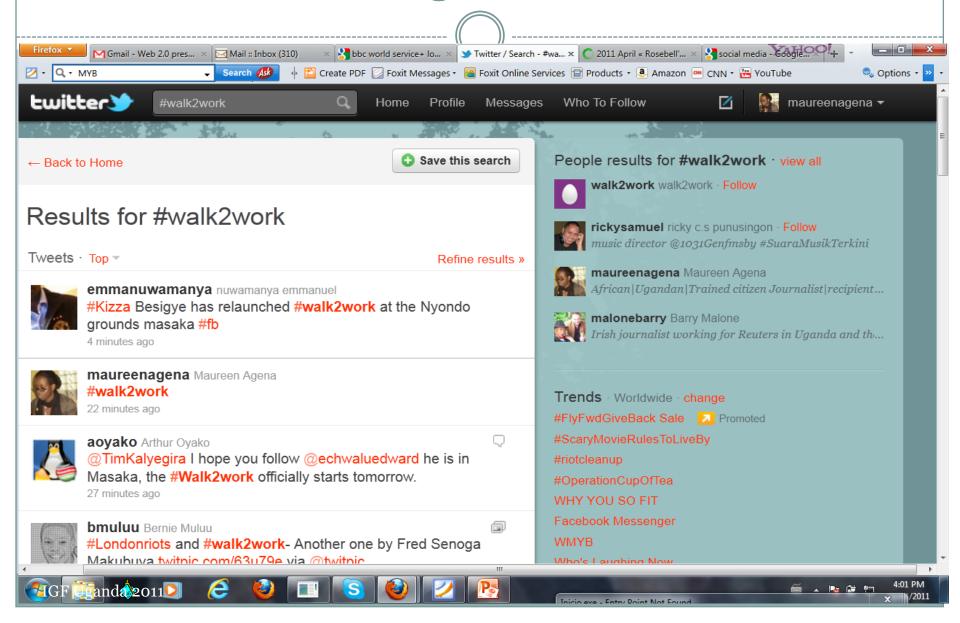

Anne Helmond, May 2009

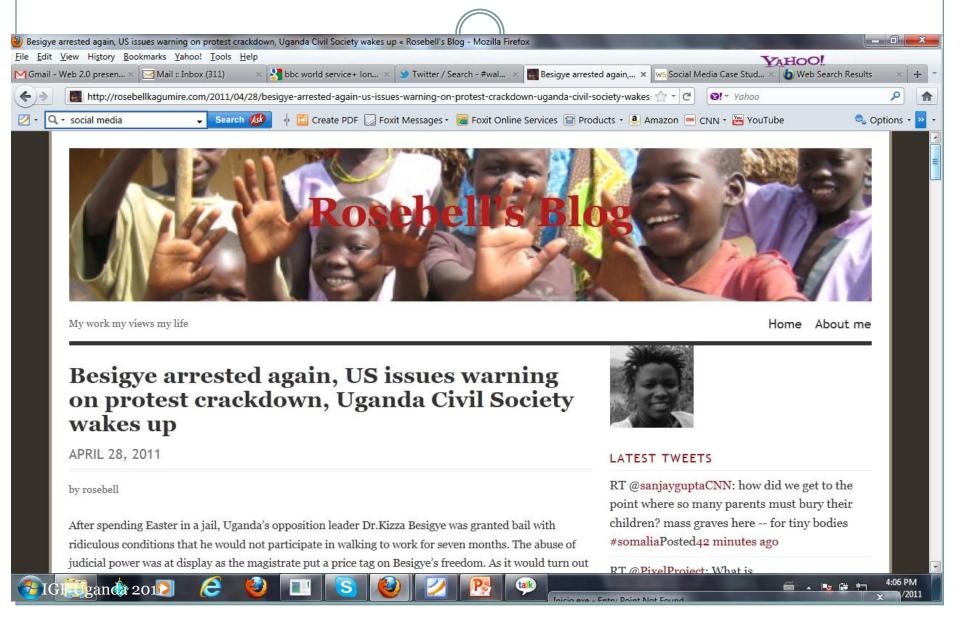

#### Opportunities they present....

- Online training.
- Wider outreach and sharing of content.
- Increased access to relevant and up-to-date content.
- Establishment of Communities of practice.
- Remote Collaboration and Networking
- Real-time communication (Feedback)
- Income generation-Advertising, Revenue,

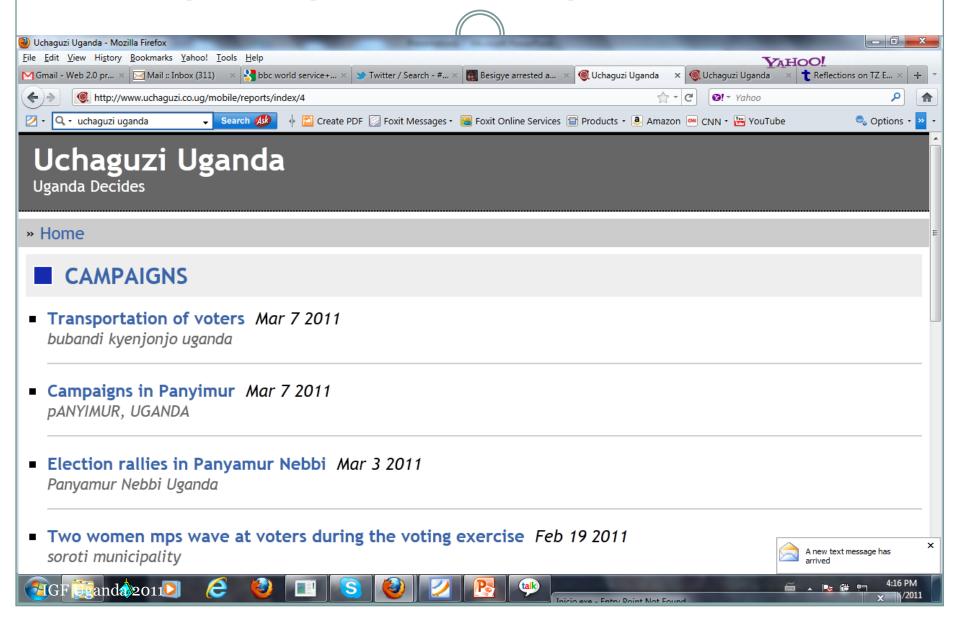

### The Case of Uganda #walk2work

## A blogger sharing her opinion.

# Uchaguzi Uganda: Did Ugandans decide?

#### The Risks

- Privacy
- Online Identity
- Security
- Loosing a sense of direction
- Addictive

#### Beyond Uganda

- London Riots #londonriots
- Egypt Riots #jan25

**BIG QUESTION:** 

What percentage of the citizens can be empowered through Social media?
